# EXPECTATIONS

*List Of  
Expectations*

*Independent  
(Asynchronous)  
Work*

# LIST OF EXPECTATIONS

- 1** *Come prepared and on time*  
(To each lesson)
- 2** *Cameras On and TVs Off*  
Try to find a quiet place, if possible.
- 3** *Active Listening*  
Good seating arrangement
- 4** *Share your ideas and ask questions*  
Remote doesn't mean silent.
- 5** *Complete assignments on time*  
I will be flexible, but try to build good habits.
- 6** *Have Fun!!*  
(By focusing on learning)

# EXPECTATIONS

*List Of  
Expectations*

*Independent  
(Asynchronous)  
Work*

# ASYNCHRONOUS LEARNING TIMES

During asynchronous learning times, student *must* be engaging with the material. These times will be used for small groups (with a teacher), independent practice of a skill we just learn, or assignment completion.

*CURRICULUM  
and LESSONS*

*First  
Quarter*

*Supply List*

# *First Quarter Focus*

1B Unit: Who We Are

**Reading:** Science-related stories and non-fiction texts that support students understanding of finding evidence to support main ideas, use of context clues and informational writing. (Books in Backpacks)

**Math:** We will start the year by reviewing place value up to the millions. These first chapters focus on reading and understanding the value of large numbers, as well as adding and subtracting them. (Material will be in backpacks)

**Science:** Our first Amplify unit will be Light and Vision. We will be exploring how light refraction allows our eyes to see.
